ATT: City Lifts

To whom it may concern,

RE: Reference of Company dealings

Please be informed that Apex Project Management Pty Ltd has been utilising the services of City Lifts for the past 3 Years, They have been providing Apex and our group of companies services for installation and servicing of Lifts in Both Sydney and Perth over various projects and we highly recommend them to any new client looking to engage their services.

In particular the attention to detail with bespoke design really assists our firm in knowing that we receive the correct product for what we need.

Should you have any questions, please do not hesitate to contact our office.

Regards
