Dear Sir,

Please be informed that Windsor Knight has been utilising the services of City Lifts for the past 5 Years, They have been providing comprehensive vertical transport services for our current mixed use site in Subiaco. The provision on this site comprises of 6 travelators from 2 basements levels to the retail on the ground and 1st floor, plus 6 passenger and 1 goods lift to service the retail and offices above. We recommend them to any new client looking to engage their services.

In particular the attention to detail with bespoke design really assists our firm in knowing that we receive the correct product for what we need.
